OFFICE CIRCULAR

SUBJECT; ADMINISTRATOR (GRADE A2/A3) COMPETITIONS AND CONSUMER POLICY  
DIVISION, DAFFE

Closing date for applications: The closing date for applications is  
15th January 1991.

Duties:

Under the supervision of the Head of Division the post-holder will be  
required to:

1. Organise activities concerning competition policy in European economies  
in transition, including:
  - policy planning exercises with competition law enforcement  
authorities in these countries;
  - training of the enforcement staff of competition policy agencies in  
these countries, including the preparation of training materials;

- training of the enforcement staff of competition policy agencies in these countries, including the preparation of training materials;
- missions for the creation of competition enforcement policy and compliance guidelines in these countries;•••
- seminars on developments in competition policy and industrial organisation economics for competition policy officials in Member and non-Member countries. •

2. Carry out research and draft reports and analyses on competition policy issues for the Committee on Competition Law and Policy. (Most of these reports and analyses will involve the application of both legal and economic skills.)
3. Monitor developments in the fields of competition policy, and industrial organisation economics relevant to competition law enforcement in both Member and non-Member countries. •

Principal qualifications:

1. An advanced degree in either the field of law or economics, plus substantial background, preferably including a degree, in the other field.
2. Substantial knowledge and experience in competition policy and industrial organisation economics. Knowledge or experience in some or all of the following areas would also be helpful: consumer policy, trade policy, international law, corporate law.
3. Ability to undertake and direct work involving combined legal and economic analysis on a wide range of competition policy issues.
4. Experience working in a national administration or other international organisation would be helpful.
5. Excellent written and spoken English or French; good knowledge of the other language. Knowledge of one or more languages of Central or Eastern Europe would be an advantage. ••••
