**DAC Members Plans to Further Untie Aid to the Maximum Extent, in Line with the AAA Commitments  
Informal Discussion of DAC Members, Thursday 18 February 2010**

**Discussion summary**

*Following a request from the German delegation, the sentence "Germany takes the view the AAA commitment only applies to aid already covered by the 2001 DAC Recommendation on Untying." in DCD/DAC(2010)15/CORR1 paragraph 6 should now read as follows:*

*"While Germany recognises that the AAA has broadened the discussion beyond the 2001 Recommendation, it stressed that technical cooperation remains a special category. Germany will continue to report its TC untying status, but reiterated that TC could currently not be fully untied due to the existing national system."*
