## **Tuesday, 26 October 2004**

- 18:00 Arrival of participants and hotel check in
- 19:00-20:00 Welcome and briefing for the 22 participants from partner countries  
(Reception area, nh Hotel Berlin Mitte, Leipziger Str. 106-111)

## **Wednesday, 27 October 2004, KfW Building**

### **09:00–09:30 Registration and distribution of workshop folders**

#### **09:30-09:50 Welcome and Introduction**

Norbert Kloppenburg (Senior Vice President, Asia and Europe Department, KfW Development Bank, Germany)

Manfred Konukiewitz (Director, Infrastructure Division, BMZ)

Michael Roeskau (Director Development Cooperation Directorate, OECD)

#### **09:50-10:30 Present Approaches of Donors on Infrastructure and Poverty Reduction: Moving on from the 1st Workshop**

Chair: Hitoshi Shoji (InfraPoor Task Team Leader, Japan)

Presentation: Mary Braithwaite (KfW Development Bank Consultant)

### **10:30-10:45 Coffee/Tea Break**

#### **10:45–12:30 Infrastructure Finance**

*The session will discuss key issues of infrastructure finance such as (a) the need for more development funding of economic infrastructure in the short run, (b) the role of ODA to promote domestic capital market reforms for more private sector investment, and (c) the long-term role of local and international private sector financing for economic infrastructure.*

Chair: Mark Karns (USAID, USA) and Alistair Wray (DfID, UK)

Presentation: Lisa Curtis (DfDID) and Mark Karns (USAID)

Rapporteur: Alistair Wray (DfID) and Mark Karns (USAID)

### **12:30-14:00 Lunch (in KfW)**

#### **14:00-16:00 Complementarity / Coherence of Infrastructure for Achieving the MDGs**

*This session will discuss impact chains between economic infrastructure inputs and MDG and poverty reduction results.*

Chair: Alistair Wray (DfID)

Presentation: Christopher Willoughby (DfID consultant)

Rapporteur: Oliver Bovet (SECO, Switzerland)

**16:00-16:15 Coffee/Tea Break**

**16:15-17:00 ICT and Poverty Reduction**

*The DAC Secretariat will present recent findings on the relevance of information and communication technologies for pro-poor growth and achieving the MDGs.*

Chair: Frank Weiler (KfW Development Bank)

Presentation: Nigel Scott (DAC consultant)

Rapporteur: Ichiro Tambo (DAC Secretariat)

**17:00-17:45 Gender Dimensions of Infrastructure**

*The session will discuss the key gender dimensions of infrastructure to ensure project sustainability, pro poor growth and the MDGs; and how well-designed infrastructure can contribute to gender equality..*

Chair: To Tjoelker (Ministry of Foreign Affairs, The Netherlands; Chair, DAC Network on Gender Equality)

Presentation: Maria Arce-Moreira (Executive Secretary Gender and Water Alliance)

Rapporteur: Patti O'Neill/Annabel Muelder (DAC Secretariat)

**17:45-18:30 Welcome Cocktail for all Workshop Participants**

**Side Event**

Immediately after the welcome cocktail, the KfW Development Bank will offer a panel discussion on *Improving Transport Infrastructure to Reduce Poverty: What Actions Need to be Taken?* (see Appendix) All participants are welcome to attend.

## **Thursday, 28 October 2004, GTZ Building**

- 09:30-09:35 Introduction to GTZ House at reception area (Franziska Donner, Director, GTZ office Berlin)
- 09:35-18:00 Three parallel sector working groups (on energy, transport and ICT, and water and irrigation) will discuss cross cutting issues of enhancing pro-poor infrastructure results through decentralization and private sector participation, strengthening service delivery to the poor, and improving governance for poverty reduction
- 18:30-20:30 Side Event: At 7 PM, the Deutsche Gesellschaft für Technische Zusammenarbeit (GTZ) will organize a panel discussion on *Making Services Work for the Urban Poor* (see Appendix). All InfraPoor participants are welcome to attend. Refreshments and snacks will be provided

### **09:35-17:45 Sector Working Group: ENERGY**

#### **09:35-12:00 Session 1: Decentralization and Private Sector Participation**

*The first part of the session will be dedicated to general energy sector issues (energy in PRSPs, co-ordination etc). The main session will discuss – among others - issues such as roles of central and local government, donor working at decentralised level, sustainable tariff structures, extending household connection through private sector involvement and reducing risks for private sector engagement.*

Chair: Arno Tomowski (Director, Infrastructure and Environment Division, GTZ)

Presentation: Philip Mann (GTZ consultant)

Rapporteur: Peter Davies (DfID)

#### **12:00-13:30 Lunch**

#### **13:30-15:30 Session 2: Service Delivery to the Poor**

*The session will discuss – among others - issues such need the need for complementary activities, participation, pro-poor targeting, smart and transparent subsidies, poverty and gender differentiated data gathering, impact monitoring and validation systems to encourage learning, and the role of biomass for the poor. In addition, the session will discuss preventing health problems and disabilities particularly through reducing in-door pollution.*

Chair: Klaus-Peter Pischke (KfW Development Bank)

Presentation: Philip Mann (GTZ consultant)

Rapporteur: Peter Davies (DfID)

#### **15:30-16:00 Coffee/Tea Break**

#### **16:00-17:45 Session 3: Governance for Poverty Reduction**

*The session will discuss – among others - issues such as capacity building, involving the poor in sector reforms, governance dimensions of sector reforms, regulation and off-grid solutions.*

Chair: Manfred Konukiewitz (BMZ)

Presentation: Philip Mann (GTZ consultant)

Rapporteur: Peter Davies (DfID)

**09:35-17:45 Sector Working Group: Transport and ICT**

**09:35-12:00 Session 1: Decentralization and Private Sector Participation**

*The session will discuss issues such as the different roles of central and local governments in planning, executing and maintaining the investment and local maintenance finance.*

Chair: Hitoshi Shoji (JBIC)

Presentation: Yasuhisa Ojima and Hisaaki Mitsui (JBIC and JBIC consultant)

Rapporteur: Earnan O'Cleirigh (DCI, Ireland)

**12:00-13:30 Lunch**

**13:30-15:30 Session 2: Service Delivery to the Poor**

*The session will discuss issues such as transport services for the poor, "beneficiary-pay principle" new roles of government under private sector investment enhancement. In addition, reference will be made to prevent disabilities and targeting the handicapped through better road safety.*

Chair: Earnan O'Cleirigh (DCI)

Presentation: Yasuhisa Ojima and Hisaaki Mitsui (JBIC and JBIC consultant)

Rapporteur: Hitoshi Shoji (JBIC)

**15:30-16:00 Coffee/Tea Break**

**16:00-17:45 Session 3: Governance for Poverty Reduction**

*The session will discuss issues such as the importance of long term macroeconomic stabilization, the effect of political intervention and participatory approaches for strengthening the pro poor growth impact of infrastructure provision.*

Chair: Hitoshi Shoji (JBIC)

Presentation: Yasuhisa Ojima and Hisaaki Mitsui (JBIC and JBIC consultant)

Rapporteur: Earnan O'Cleirigh (DCI)

**09:35-17:45 Sector Working Group: Water / Sanitation and Irrigation**

**09:35-12:00 Session 1: Decentralization and Private Sector Participation**

*The session will discuss issues such as (i) the pros and cons of decentralization, the conditions an effective local government accountability, the limitations of local budgets, and (ii) the possibilities of private sector participation (PSP), the incentives and accompanying measures necessary for PSP to effectively combat poverty, the use of the local private sector, the conditions calling for public provision only. The session will also discuss the role of local government in irrigation reform.*

Chair: Werner Gruber (SECO, Switzerland)

Presentation: Jürg Krähenbühl (SECO consultant) and Yuriko Sakairi (JBIC consultant)

Rapporteur: Oliver Johner (SECO consultant)

**12:00-13:30 Lunch**

**13:30-15:30 Session 2: Service Delivery to the Poor**

*The session will discuss issues such as (i) ways to target the poor, including through gender mainstreaming as well as women's and families water and sanitation needs, (ii) the participatory methods for sustainable irrigation, and (iii) necessity for cost recovery, the role of smart subsidies or other procedures (including metering, in-kind participation etc) to alleviate the burden on the poor. Some references will also be made to preventing disabilities.*

Chair: Moussa Badji (DGCD)

Presentation: Oliver Johner (SECO consultant) and Yuriko Sakairi (JBIC consultant)

Rapporteur: Jürg Krähenbühl (SECO consultant)

**15:30-16:00 Coffee/Tea Break**

**16:00-17:45 Session 3: Governance for Poverty Reduction**

*The session will discuss issues such as (i) the appropriate use of regulatory schemes and bodies and (ii) participatory methods for the poor ensuring long term sustainability and anti-poor effectiveness of projects.*

Chair: Jean-Francis Benhamou (AfD, France)

Presentation: Jürg Krähenbühl (SECO consultant) and Yuriko Sakairi (JBIC consultant)

Rapporteur: Oliver Bovet (SECO)

## **Friday, 29 October 2004: KfW Building**

### **09:30-10:30 Summary of Workshop Discussion and Conclusions**

Chair: Armin Bauer (KfW Development Bank)

Presentation: Rapporteurs of Previous Sessions

### **10:30-11:00 Coffee/Tea Break**

### **11:00-13:00 Next Steps for Preparing Third Workshop and InfraPoor Guiding Principles**

Chair and Presentation: Hitoshi Shoji (InfraPoor Task Team Leader)

Rapporteur: Mark Karns (USAID)

Closing Remarks

### **Side Event: Berlin City Tour**

The German hosts are inviting the participants of the workshop to join a two hours guided city tour in Berlin. The bus will start at 14:30 Hs from the main entrance of the KfW building.

## ***SIDE EVENTS, ORGANIZED BY THE GOVERNMENT OF GERMANY***
