CCP MEETINGS IN OCTOBER 2011: CHANGE IN WORKSHOP DATE

The CCP Bureau has decided to move the date of the Workshop on communication services to 25 October 2011, so as to avoid a conflict with the ICCP's Technology Foresight Forum. The 82nd Session of the CCP will be held on 24 and 26 October 2011.

CCP MEETINGS IN OCTOBER 2011

1. The CCP agreed to hold its 82nd Session and a Workshop on communication services on 24-26 October 2011. We have since been informed that the ICCP will hold its Technology Foresight Forum, which will focus on developments in communications markets, on 26 October. The CCP Bureau has agreed that it would be advantageous to move our Workshop to 25 October, which would avoid conflicts with the Technology Foresight Forum and could in fact enhance participation in both events.
2. The October meetings of the CCP will therefore take place as follows:
 - 24 October 2011: Part I of the 82nd Session of the CCP
 - 25 October 2011: Workshop on communication services
 - 26 October 2011: Part II of the 82nd Session of the CCP.
