NOTES TO THE AGENDA

Item 3. Update on the 2011 Forest Scheme's rules

The Secretariat will inform the Meeting on the status of the modifications to the Scheme's rules adopted in 2010.

Item 4. Revision of the definition of the qualified category [TAD/CA/F/WD(2011)1]

The TWG will discuss the current definition of the qualified category with the view of its revision.

Item 5. Inclusion of the "tested" category and new types of basic material into the Scheme's rules [TAD/CA/F/WD(2011)2]

The TWG will begin to discuss the possibility for the incorporation of the tested category into the Scheme's rules.

Item 6. Development of common definitions [TAD/CA/F/WD(2010)1/REV1]

The OECD Secretariat will introduce a revised draft document on the development of common definitions including the relevant definitions from other international organisations and NGO's to the document.

Item 7. Draft guidelines on collecting, processing and storage procedures for tree seeds [TAD/CA/F/WD(2011)3]

The sub-working group will present the draft guidelines on collecting, processing and storage procedures of forestry seed.

Item 8. Short rotation plantation for bioenergy and agro-forestry and shrub species [ORAL PRESENTATION]

A presentation will introduce the use of different shrub species in the short rotation plantation and will give an overview on their certification background.

Item 9. Development of a table of adjustment factors for forest seed data [TAD/CA/F/WD(2011)4]

The Working Group will discuss the draft table of adjustment factors in order to facilitate the use of the OECD forest database on traded seeds.

Item 10. Capacity building activities [TAD/CA/F/WD(2010)3/REV1]

The Secretariat will introduce the revised document on capacity building activities. Delegates will be invited to discuss the draft text and the possible joint capacity building activities with other international organisations.

Item 11. Marketing and Promotion of the Scheme to encourage new countries to join [TAD/CA/F/WD(2010)4/REV1]

The Secretariat will introduce the revised document and the draft promotional leaflet on the Forest Scheme.

Item 12. Possible consequences of new scientific results on the rules of the Scheme such as the effect of the environment on genotypes. [ORAL PRESENTATION]

The presentation will give an overview on the Possible consequences of new scientific results on the rules of the Scheme such as the effect of the environment on genotypes.

Item 13. Possibility for using the Scheme's rules for fruit trees [ORAL PRESENTATION]

The presentation will summarise the possibilities for using the Scheme's rules for fruit trees.

Item 14. Other Business

Depending on the Agenda as adopted and on the time available.
